Randy Whitney, RN, NE-BC
Beaumont Health System - Nursing

IRB Topic: Nursing Involvement
Subject: NURSE MEMBERSHIP ON THE IRB

American Nurses Credentialing Center
Magnet Recognition Program

Beaumont Health IRB has policies, procedures, or bylaws designating consistent membership and involvement as a voting member by at least two nurses in the governing body responsible for the protection of human subjects. Our records indicate all of the IRB meetings have two nurse members as the primary members or the alternate who is a nurse member present and in voting status.

Beaumont Health IRB may also be asked to determine research to be exempt from IRB Review. Exempt determinations are made by an IRB Board member. If you have any questions or concerns, you may contact Lynne Paul at 248-551-0653 or lynne.paul@beaumont.org.

Sincerely,

A handwritten signature in cursive script that reads "Lynne C. Paul".
