Dear Barb,

First, congratulations on your nomination for the distinguished Oakland University Nightingale Nursing Award! This is a very big honor. You are one of about 80 nurses nominated this year out of the tens of thousands of nurses practicing in Southeast Michigan.

As we conclude our celebration of Nurses Week on Wednesday, May 11, 2016, Beaumont Grosse Pointe will host "Nursing Excellence Day" with a lunch and socialization at 1230, followed by our award presentations at 1300 hours in the Connelly Auditorium.

As part of Excellence Day, we recognize the Grosse Pointe Hospital nurses that have been nominated for a number of awards, including our Nightingale Award nominees. As one of the nurses being honored, we would like to invite you to join us at this time for this celebration.

Congratulations again and we look forward to celebrating nursing with you!

Sincerely,

The Nurses Week Task Force
