Hi again, Linda ☺

I know that I approached you Linda this am with not a clear, concise plan regarding the issue that Stacey's off and that Kim needs PeopleSoft documentation prior to ordering.

Are Clay or Lynn, able to retrieve the same info as Stacey is, regarding the 'formal computer' approval of the capital from Rick Swain, in PeopleSoft? The dates that are our concern for pt. care are the 11/12 of April.

Yet Stacey doesn't get back till the 10th...not enough time to submit and obtain the needed instrumentation.

Thanks again for your assistance in receiving the capital for it.
 I just want to have the follow through for the dates in question.

Steph

Deb,

Stacey has entered the capital request for one TruClear Set (as approved by Rick Swaine). Can you order? Or do we need to send the quote to Kim Zwark?

Thank you,

Linda
