

Dear Family Member

**You are cordially invited to daily rounds beginning at 10 a.m.
in the Critical Care Unit (CCU), Monday through Friday.**

Members of the health care team involved in the care of your loved one will gather at this time. We invite you to attend these rounds if you are able.

This is a good time for you to ask questions,
give us feedback and talk about the goals for your loved one.
Additionally, we will discuss planned procedures for the day,
recent lab test results (and what they mean) and
how we think your loved one is doing overall.

We want to keep you informed and involved.
