Hello Patricia,

It was lovely to meet you and the rest of the Beaumont team yesterday. As promised, I wanted to provide you with the Safe Sleep and 961-BABY (maternal child health referral hotline) flyers for your Detroit patients. Please see our promotional flyers attached to this email and feel free to distribute widely in any clinic that serves Detroit patients. If you would like to discuss our maternal child health programs in the future, please don't hesitate to reach out.

All the best, Chelsea

Chelsea Harmell, MPH Maternal Health Manager Detroit Department of Health and Wellness Promotion 313.410.5344 HarmellC@detroitmi.gov

Subject: Safe Sleep Coalition Education Action Committee

0

Hello,

I am so excited that you have volunteered to assist with the Education Action Committee of the Wayne County Infant Safe Sleep Coalition! I look forward to working with you as we develop goals and implement new strategies to better educate the public on Infant Safe Sleep.

Our first task is to identify a specific goal that we would like to work toward achieving over the next couple of months. I have many different ideas of what that goal might be so I really need your input and help to focus on a specific action area. Of course we can identify more than one goal as long as we are committed to following through with action.

Do we want to target a specific population to provide education to (senior citizens, hospital staff, girl scouts, childcare providers, etc.)? Or do we want to focus on curriculum development? Plan train the trainer sessions with community or faith based organizations? Or something completely different?

So what are your thoughts? Please reply to all for a better exchange of ideas.

I know you are all very busy with your work and home responsibilities. I truly appreciate your willingness to help spread the Infant Safe Sleep message!

Thanks,

Kelly Kreis

Safe Sleep Education Action Committee Update

Hello Education Action Committee!

I hope you are all doing well. I wanted to give you an update on activities that we have been able to accomplish with your assistance.

With your input, I was able to put together a class outline, a more detailed script and a binder with printed PowerPoint slides for others to following when presenting Infant Safe Sleep at classes. EMU nursing students have been able to use this material to present safe sleep in conjunction with three of the WIC Breastfeeding classes and have another one scheduled for later this week. Our Wayne County Safe Sleep program has also gained the addition of an intern that will be able to utilize this material for use at future classes. This has made it possible to reach more expectant families with the message of Infant Safe Sleep.

I have also had the opportunity to do trainings with the Oakwood-Dearborn mother/baby staff. This was thanks to Gisele Sidor for making the arrangement and promoting the in-service to the staff. It was a great opportunity to update/remind the nursing staff on the importance of Safe Sleep education and proper modeling.

Another trainer-the-trainer session was done with several of the social workers for Starfish's Infant Mental Health program. Again, this was organized through the work of the Wayne County Infant Safe Sleep Coalition. We are reaching more families with our message of Safe Sleep.

We also have several events coming up. Babies R Us has scheduled me to do another Safe Sleep class at the Northville location in April and another in May at the Taylor location. I will have an Infant Safe Sleep education table at the Beaumont Baby Fair in April and will be giving a PowerPoint presentation along with an educational table at the Wayne Metro Community Baby Shower in May.

I have been in contact with Terri Godde, the EMS Education Coordinator for the State of Michigan. We have discussed offering the DOSE trainings for first responders in Wayne County in late spring or early summer. I will keep you posted on when those trainings will be so you can encourage your local fire departments to participate.

As you can tell, we have been very busy! I am thrilled with the progress we have made. I am also looking forward to new ideas, events, trainings, classes, etc. that we can engage in to help save babies lives through Safe Sleep education. Please let me know your ideas.

Thank you so much for your dedication. I look forward to seeing you at the April meeting.

WC3 DR.pdf (86Kb)

Hello,

We have a lot of great information to present and discuss at our Wayne County Infant Safe Sleep Coalition meeting later this month. I will be attending the Cribs for Kids Safe Sleep Conference next week and will be able to share some of the latest news on Safe Sleep topics, as well.

In order to begin preparing handout material and arranging for our lunches to be delivered, I am asking for RSVPs. If you have not already responded, please do so by April 23, 2015. Since we will be presenting a lot of material, if you personally are not able to attend, please designate someone from your organization to attend on your behalf. Also, if you know of someone that would be interested in attending, feel free to extend the invitation.

A map of the WCCCD-Downriver Campus is attached. Please enter the doors by the small circular drive and parking area. Our meeting room will be located in the wing with the curved glass corridor. The meeting details are as follows.

Thursday, April 30, 2015
Noon – 1:30pm (Lunch Provided)
WCCCD- Downriver Campus
21000 Northline Road
Taylor, MI 48180

I look forward to seeing you on April 30th. If you have any questions, please let me know.

Safe Sleep PowerPoint Slides

Hello,

Thank you for your participation in the Wayne County Infant Safe Sleep Coalition! It is committed professionals like you that are getting the Safe Sleep message out and as a result, saving the lives of babies. Over the course of the next couple of weeks, we will be continuing our work in our Action committees. If you have not already indicated an area in which you would like to assist, or would like more information on the committees, please contact me.

As promised, I am sending the link from the Cribs for Kids Conference Presentations. There were numerous presentations and to help you navigate the PowerPoint slides, I am also sending a link to the conference agenda. This will help you with the topics each presenter spoke on.
